INFLAMMATION

4 Part Teleseminar Series – *The What, Why and How to Overcome Inflammatory Disorders Wholistically* –

March 3

- The “catch-all” diagnosis for **Fibromyalgia** and **inflammatory disorders** that begins with **compromised intestinal health**;
- How synthetic chemicals called **Metabolic Modifiers** **cause & accelerate inflammation**, **weight-gain** and **prevent weight-loss**;
- The connection of **thyroid health** to **inflammation**, **premature aging** and **overall health**.

March 10

- The reasons our bodies can’t “turn off” the **fire of inflammation**;
- The basic **principles** of a delicious **anti-inflammatory diet**;
- How gluten **contributes to inflammation**.

March 17

- The connection between **Diabetes** and **Inflammation**;
- Recommendations to **avoid** and **manage chronic inflammation**;
- How **inflammation** affects our **vision** and overall **eye health**;

March 24

- The role of pH in inflammation and our overall immune defenses;
- The necessary supplements and nutraceuticals – their purpose and the consequences of deficiencies;
- Connecting inflammation and heart disease, multiple allergic responses, kidney and liver dysfunction.

SPECIAL BONUS!

An **educational tool PLUS** a down-loadable **eBook, *Pain & Inflammation*** – previously available only to my clients – to assist you with your “detective work” in identifying health-depleting saboteurs. The book offers 30+ recipes created by Dr. Gilbère and tested by professional chefs – all free of inflammation-causing ingredients. This offer is **only available to those who purchase the entire series of 4**.

Known as *The Health Detective*, Dr. Gloria is a doctor of natural health, homeopath, EcoErgonomist and Wholistic Rejuvenist and is renowned worldwide for her work in identifying and implementing natural and nutrition-based solutions to chemically-induced and inflammatory disorders, multiple chemical sensitivities, fibromyalgia, chronic fatigue, and digestive disorders that defy conventional diagnosis and treatment, and are often *misdiagnosed, misunderstood, overmedicated and invalidated*.

She is founder of the Institute for Wholistic Rejuvenation. After more than 30 years owning and operating two clinics, her practice transitioned to an all virtual practice and consults worldwide via telephone and Skype. She is based in Gig Harbor, WA.

She is an acclaimed talk show host, *Dr. Gloria – Health Detective*, author of 16 books, 8 courses and over 1,700 health articles. To consult with her visit her website at www.gloriagilbere.com or call 888.352.8175. Be sure to subscribe to her new FREE *Health Detective Blog* available on the homepage of her website – access to Webinars, Podcasts, Articles, TeleSeminars, downloadable mp3s, online classes, eBooks, and much more.

She is creator of certificated courses to become a Wholistic Rejuvenist™ (CWR) and post-graduate education for health professionals. Her courses are accredited by international medical schools and teaching hospitals.
